THE BEAUTIFUL HOME OF UCLA's FOOTBALL BRUINS

Los Angeles Memorial Coliseum
▪ Site of The 1932 Olympic Games...
▪ One of The World's Premier Stadiums...
▪ Capacity, 92,604 Comfortable Seats...

The Los Angeles Memorial Coliseum may be 52 years old, but it is continuously being improved. In fact, in the past 29 years, some $8 million improvements have been made to maintain the Coliseum's position among the super stadia of the world.

The 92,604 seating capacity includes 74,017 theater-type seats and only 18,587 remaining bench-type seats.

The Coliseum, built in 1923 and enlarged for the Olympic Games in 1932, is best known as the world's greatest football stadium, the home of not one, not two but three top teams, UCLA, USC and Los Angeles Rams. No other facility in the world has three such major grid tenants.

There are 90 entrances equipped with 74 turnstiles for easy access and exit of the facility. A modern press box sits high atop the south rim of the Coliseum. It has three levels serviced by a private elevator. The seating capacity is 216 on the first and second levels only.

A Coliseum Commission, with Stephen C. Bilheimer currently serving as president, oversees the facility for the State of California, County of Los Angeles and City of Los Angeles. Jim Hardy is the general manager, assisted by two assistant managers, Jerry Nielsen (Coliseum) and Ron Mittins (Sports Arena).

Incidentally, the field for UCLA football games this season has been moved back 20 yards toward the west while USC and the Rams will maintain the same field position as last year, 20 yards eastward.

TOP is an aerial view of Memorial Coliseum and Sports Arena, with State parking lots on West and South sides which accommodate some 5,000 automobiles. BELOW is an historic photo of Coliseum, from West end zone, at kickoff time of 1947 USC-UCLA game which Trojans won by narrow 6-0 score before nation's largest football crowd of season, 102,050! *Photos by Dick Whittington.*

THE 1975 BRUINS

RETURNING VETERANS — 34 returning lettermen from Dick Vermeil's first team that was 6-3-2 in 1974, plus one letterman from 1973. Returnees include: Offense — 1 split end, 2 tight ends, 3 tackles, 4 guards, 1 center, 3 quarterbacks, 5 running backs, 1 flanker. Defense — 2 tackles, 5 linebackers, 1 nose guard, 2 cornerbacks, 3 safeties. In addition, 2 punter-kickers. Of the returnees, the following started 1974 games: Offense — Norm Andersen, se, 11; Phil McKinnely, lg, 11 at rt; Randy Cross, rg, 11 at lg; Jack DeMartinis, rt, 4 at lt; Bob Reyes, rt, 2 at lt; John Sciarra, qb, 7; Jeff Dankworth, qb, 3; Steve Bukich, qb, 1; Wendell Tyler, lh, 5 at rh; Carl Zaby, lh, 4 at rh; Eddie Ayers, rh, 4 at lh; Wally Henry, fl, 6. Defense — Tim Tennigkeit, lt, 4 at rt; Terry Tautolo, ilb, 1; Cliff Frazier, ng, 4 at lt; Bob Crawford, rt, 3; Dale Curry, olb, 11; Barney Person, rc, 1 at lc; Matt Fahl, s, 2 at rc and 1 at s. The most notable change among the starters was the switch of big Cliff Frazier from defensive left tackle to nose guard although several players have been moved from one side to the other on both offense and defense. Dual-purpose John Sciarra, who as early as last Spring was touted by some sports writers and broadcasters as a prime candidate for top honors in '75, again will trigger Coach Vermeil's Veer-T offense. However, the new dimension of the drop-back pass will give the colorful Sciarra added opportunity to display his spectacular running as well as his passing. The Alhambra, Calif., senior was one of the nation's total offense leaders until a broken leg in the seventh game of the '74 season stopped his bid for honors. However, 390-yard total offense production in the opening game against Tennessee held up as the year's best in the United States and his 176.4-yard per game average and his season total of 1235 were still two of the best. Tyler, also victim of an elbow injury in the ninth game, was becoming one of the Coast's top ball-carriers when sidelined. His 544 yards and 5.7 average testify to his running talents. Their replacements, Jeff Dankworth at quarterback, and Carl Zaby at running back, however, displayed good ability to get the job done, along with Eddie Ayers, who came along fast as the season progressed. The line promises a good offensive year for the Bruins, with Guard Randy Cross and Tackles Phil McKinnely and Jack DeMartinis leading the charge of an imposing interior front wall that averages 255-pounds per man. All Pac-8 Norm Andersen, who really knows what to do when the ball is put into the air, heads an excellent corps of receivers. On defense Curry is the most experienced while the king-sized Cliff Frazier, who had bad luck with injuries last season, has tremendous talent. Several position switches among the vets, most notably the move of Raymond Burks from tight end to outside linebacker, appeared to have worked wonders for the defense during Spring Practice. In addition, John Sullivan returns with his effective punting and also Brett White, the leading scorer on the '74 team with 54 points on 27 out of 30 PATs and nine of 16 field goal attempts. The prime pre-season All-America candidates appear to be Sciarra and Frazier, with John appearing to be the best bet in the West for many kinds of honors. However, several others like Andersen, Mc-

Kinnely, Cross, along with Tyler, Ayres and Henry in the backfield, plus Curry, Crawford and Tautolo have an opportunity to break into the limelight.

LOSSES — 26 lettermen, including: Offense — 1 tackle, 2 guards, 1 center, 1 tight end, 2 halfbacks, 1 flanker. Defense — 2 tackles, 5 inside linebackers, 2 nose guards, 5 outside linebackers, 1 cornerback, 3 safeties. Starters included: Offense — Gene Clark, lt, 5; Art Kuehn, c, 11; Myke Horton, rg, 11; Gene Bleymaier, te, 11; Russel Charles, lh, 9; Steve Monahan, fl, 5; Defense — Rick Kukulica, lt, 7; Tom Waddell, ilb, 6; Fulton Kuykendall, ilb, 7; Frank Manumaleuna, ilb, 2; Mike Martinez, ng, 6; Greg Norfleet, ng, 4; Gene Settles, ilb, 10; Pat Sweetland, rt, 4 and 1 at ng; Herschel Ramsey, olb, 7 and 2 at s; John Nanoski, 10 and 1 at s; Phil Kimble, rc, 9; Greg Williams, s, 7; Kent Pearce, s, 11. With eight of the losses being on offense and 18 on defense, it is obvious which unit felt the graduation blow harder. Clark and Kuykendall were the All-Coasters, but some other excellent talents are missing, including Russel Charles, the team's leading rusher, and the outstanding performances of Clark, Kuehn and Horton up front and Bleymaier, who opted for law school rather than complete his eligibility. On defense the squad was hit hard by the loss of Pearce and Nanoski, who picked off six interceptions between them, and a host of linebackers like Kuykendall, Settles, Waddell, Ramsey and Manumaleuna, the highly-promising freshman who was forced from football by injury.

PROMISING SOPHOMORES — Gus Coppens, 6-6½ and 269, made his big bid in the Spring and has a good opportunity to start on offense at left tackle. Don Pederson at tight end and Severn Reece at flanker also look good as possibilities. On defense Pat Schmidt at safety, Willie Beamon at inside linebacker, Steve Tetrick at nose guard and big Pete Pele, 6-4, 265, at left tackle appear to be in contention.

JUNIOR COLLEGE TRANSFERS — 10 mid-year transfers enrolled in time for Spring Practice, of which inside Linebacker Kelly Stroich, 6-1, 215, from Orange Coast College; defensive right Tackle Herman Benson, 6-1, 240, from El Camino College; and left Guard Rob Kezirian, 6-4, 245, from Fresno City College, appeared to have the best opportunities to move up quickly. However, there is some excellent talent among the newcomers and any of them could move into contention early in the season. The others include right Guard Bryce Adkins, 6-2, 235, from Golden West College; right Half Mike Boyd, 5-10, 180, from Pierce College; right Guard Rick Cook, 6-3, 245, from Santa Barbara City College; right Tackle Tim Drew, 6-6, 260, from Reedley College; inside Linebacker Guy Langston, 6-2½, 220, from Mississippi State via the military service; inside Linebacker Dave Morton, 6-2, 230, from Fresno City College; and right Cornerback Bob Stansbury, 6-0, 180, from Pierce College.

THE 1975 BRUINS
(Continued)

OFFENSE — This will be the second season of the Dick Vermeil Veer-T, but this year the fans will see John Sciarra and the rest of the Bruin quarterbacks throwing more passes from the drop-back position. This still means trouble for the opposition when the lightning-quick Sciarra and Dankworth, who also is an excellent runner, have to scramble. The offense still will have two split receivers and excellent talent at these positions.

PASSING — Coach Vermeil expects continued improvement in the aerial game with the emergence of Sciarra as an outstanding passer and the improvement of the catching corps. Sciarra completed 47 out of 92 passes for .511 per cent, 835 yards and four touchdowns before being sidelined last Fall. He was even more impressive this last Spring. Dankworth has shown steady improvement and Bukich may be outstanding in the future.

RUNNING — While the Bruins have two first-class running quarterbacks in Sciarra and Dankworth, who netted 400 and 303 yards respectively last year, the Bruins have better prospects going into the 1975 season than they appeared to have last year. Both left Half Wendell Tyler and right Half Eddie Ayers were hampered by injury in the Spring but should be ready for banner performances. Tyler's 544 net yards and Ayers' 311 placed them second and fifth respectively among Bruin ball-carriers. Left Half Carl Zaby, who netted 358 yards last year, and right Half Jim Brown continued to show improvement in the Spring and are in contention. Also in a backup role is left Half Kenny Lee, who returned to the backfield after a season of linebacking.

KICKING — John Sullivan averaged 38.3 yards a kick and was UCLA's No. 1 punter in 1974; Brett White averaged 37.5 on his only four attempts. White was the top PAT and field goal kicker with 27 out of 30 conversion attempts and 9 out of 16 field goals. They should do even better this season.

DEFENSE — This is still the area of greatest emphasis by Coach Dick Vermeil, particularly in view of the heavy graduation losses. However, he felt that great strides were made in the Spring. The move of big Cliff Frazier from left tackle to nose guard proved a good one and the switch of talented Raymond Burks from tight end to outside linebacker may be a great one. The secondary showed excellent improvement; and the emergence of younger players, both from the junior varsity and from junior college gave a lift to the defense, particularly at the tackles and linebacking spots.

OFFENSIVE LINE — Again, this may be the Bruins' greatest asset. It will still run better than 250 pounds per man from tackle to tackle, and that's where much of the experience is. Guards Phil McKinnely, 260, and Randy Cross, 246, and right Tackle Jack DeMartinis, 273, will be

THE 1975 BRUINS
(Continued)

the leaders in this part of the team. Gus Coppens at left tackle is 6-6½ and 269 and is the sophomore with the brightest chance to crack the starting lineup. To go with this size, tight ends Rick Walker (6-4, 224), Don Pederson (6-3, 226) and Kent Brisbin (6-3½, 220) have the muscle to go with their excellent pass-catching abilities.

FALL ENROLLEES — For the first time signees of the statement of intent are included in this pre-season analysis. While some undoubtedly will make the 1975 travel squad, placing them in a depth chart is pure guesswork. Thus they have been listed at the end of the candidates at each position. This includes 21 freshmen and two junior college transfers. Some of the more prominent new names include Bruce and Ron Davis, two brothers from Marbury, Md. Bruce, a defensive left tackle, is 6-6 and 260, while Ron, a right guard, is 6-3½ and 245. Also included are All-City Center Mike Herrera, from Wilmington, Calif.; left Half Ernie Saenz, All-CIF 3-A from Culver City, Calif.; and Linebacker Manu Tiuasosopo, All-CIF 4-A from Long Beach. Also included are nose Guard Tom Murphy, from Solano City College, and right Cornerback Wayne Saxton, from San Diego City College. Coach Vermeil is very optimistic about the future of these newcomers.

THE GENERAL OUTLOOK — Coach Vermeil says, "I believe we should be a better offensive team, because we do have several starters, plus a half dozen or more who were part-time starters. Also, having run the Veer-T formation for one year and having coached it for a season, we should be better this year in both running and passing. In addition, our attack will be much more refined. Defensively, we will be better than it appeared at the beginning of Spring Drills. We still need a lot of improvement; and while we lack experience at some spots, we'll be better in the long run."

DICK VERMEIL

. . . Impressed in First Year as Bruin Boss

With an excellent 6-3-2 first-year season behind him as UCLA's head football coach, Dick Vermeil goes into his second year facing the challenge of improving on the 1974 record of keeping his Bruin team in the Rose Bowl race until the very last game of the season.

Dick says, "We don't want to be one game away from the Rose Bowl; we want to be in it."

He also makes these following pertinent observations about his first year as head coach of a major university power. "I don't think there's any way to prepare to be a head coach, other than being one.

"Now, I as the head coach and we as a staff, have better direction, coordination and definition after having worked together for this past year."

"My assistants now know what to expect of me and I know what to expect of the job. Nothing really surprises me anymore."

And so, as they say, the shakedown cruise of the Vermeil Era at UCLA is over and it's full steam ahead.

But Dick was a solid success with students, alumni and fans last year with his ability, enthusiasm and level-headed approach to his job of coaching the Bruins, a major football power in all respects.

Plus, he exuded the football fervor of a John Ralston or a George Allen and the direct, realistic attitude of a Tommy Prothro or a Chuck Knox. This was not a bit surprising since Richard Albert "Dick" Vermeil coached as an assistant under all of them before coming to UCLA.

His duties at Stanford under Ralston for four years included coaching the freshmen (1965), the varsity defensive secondary (1966), the offensive backfield and passing offense (1967) and the same in 1968.

WHAT FOUR SUPER COACHES SAID ABOUT FORMER AIDE WHEN HE CAME TO UCLA

JOHN RALSTON, *Denver Broncos* (former Stanford head coach): "A super football coach. Dick has the knowledge of the game, the enthusiasm; and he absolutely has as much dedication as anyone I've ever seen. There is no question that UCLA football will continue in the highest collegiate tradition under Dick Vermeil."

GEORGE ALLEN, *Washington Redskins* (former Los Angeles Rams head coach): "I originally hired Dick Vermeil, even though he lacked professional experience, because of his hunger to succeed, to work, to study and because of his enthusiasm. He did a great job for me. If he had wanted a job in Washington he could have come with me at any time. I am very happy for Dick; this is a great break for both UCLA and for him."

TOMMY PROTHRO, *San Diego Chargers* (former UCLA and Rams head coach): "I think Dick is an outstanding young coach with all the qualities to be a real success at UCLA."

CHUCK KNOX, *Los Angeles Rams:* "Our loss is UCLA's gain. We're losing a real fine football coach who has done a fine job for the Rams, and I'm sure he will do the same for UCLA."

He moved to the professional ranks for a year (1969) of coaching under Allen for the Los Angeles Rams where he tutored the special teams and coordinated the kicking game.

In 1970, he joined Prothro at UCLA where he did an outstanding job as offensive coordinator and coach of the quarterbacks. He then followed Prothro to the Rams where he had the same assignments plus handling pass receivers for the next two years (1971-72).

When Knox succeeded Prothro as the Ram boss in '73 Vermeil was retained as backfield coach, handling running backs and special teams.

Besides his work under four coaching greats, Vermeil also has the added dimension of having coached on the high school and junior college levels at the outset of his career. His first job was as assistant at Del Mar High School in San Jose, Calif., in 1959.

He then became head coach at Hillsdale High in San Mateo, Calif., for three years (1960-62). He moved to the JC ranks in 1963 as the offensive and defensive backfield coach at College of San Mateo. The next year (1964) he was the head coach at Napa, Calif., College.

He continued his ascension by joining Ralston at Stanford in 1965 and has been in big-time football ever since.

Vermeil became UCLA's 12th head football coach in December of 1973, succeeding Pepper Rodgers, who returned to Georgia Tech, his alma mater, as head coach.

Vermeil is "all" Californian. He was born, reared, educated and coached in California. He was born in Calistoga in Napa Valley wine country in Northern California on Oct. 30, 1936. He is the second oldest of four children, with one older sister, Laura (now Mrs. Frank Giammona, of Calistoga), and two younger brothers, Stan, an Industrial Arts teacher at Santa Rosa, Calif., JC, and Al, head football coach at Moreau High in Fremont, Calif.

He was a four-sport athlete at Calistoga High (enrollment 125), winning all-league honors in football and basketball and also lettering in baseball and track.

At Napa JC for two years (1954-55) he won all-conference

honors as a quarterback and also competed in track.

Transferring to San Jose State University, he played quarterback for two years (1956-57) and in his senior season was voted his team's "Most Improved Player."

Dick graduated with departmental honors with a B.A. degree in Physical Education in June, 1958, then received his Master's Degree in P.E. and General Secondary Teaching credential from San Jose State in 1959. He started his coaching career the same year.

He is married to the former Carolyn Drake, of Calistoga, and they have three children, sons Richard (Rich), 18, and David, 16, and daughter Nancy, 14. They make their home in Woodland Hills in the San Fernando Valley.

LYNN STILES
(Utah '63)
Assistant Head Coach

Assistant head coach Lynn Stiles is the Bruins' defensive coordinator and coach of the inside linebackers. This is his fifth season on the UCLA staff, his second as assistant headman, having served under Pepper Rodgers for three years (1971-73) and now two under Dick Vermeil.

He came to UCLA in '71 after eight years as an assistant coach, first at Utah for three seasons (1963-65) and then at Iowa for five seasons (1966-70). Incidentally, he assisted former UCLA star Ray Nagel (now athletic director at Washington State) at both Utah and Iowa.

He also played under coach Nagel at Utah (1959-62) where he starred at guard, center and linebacker. He won All-Western Athletic Conference honors at guard. A fine student, he also was on the WAC's all-academic team in 1961.

Lynn prepped at Reno, Nev., High where he starred in football, basketball and track, winning All-State grid honors two years as a guard and linebacker.

He's married to the former Marigene Stephens and they have two children, a daughter, Staci Lee, 9, and a son, Shon Lynn, 5½. (Stiles was born April 12, 1941.)

JIM CRINER
(Cal Poly Pomona '62)
Assistant Varsity Coach

After serving one year (1973) under Pepper Rodgers, Jim Criner was retained by Dick Vermeil as a member of his UCLA staff when he took over in 1974. Jim served as an offensive line coach for two years but is now coaching the Bruins' outside linebackers of the defensive unit.

He came to UCLA after serving as a top aide at BYU (1972), California (1970-71), Cal State Hayward (1969) and Utah (1967-68).

Prior to moving into collegiate coaching ranks, he was a highly-regarded prep mentor for five years, posting an impressive won-loss record of 46-13-2 over that period.

Criner starred in both football and baseball at Cal Poly Pomona. In fact, he was an All-America linebacker there in 1961 and also played fullback. A fine student, he was a double major in Biology and Physical Education.

Jim was a four-sport athlete at Coachella (Calif.) High, lettering in football, baseball, basketball and track.

Incidentally, Criner has three brothers who also are coaches, Walt and Bob at Coachella High and Herb at Mt. Diablo (Calif.) High, and two sisters, Nadene and Betty, who were recreation majors.

He's married to the former Ann Marie Shmorhun and they have two children, Mark, 8, and Kelli, 5. (Criner was born March 31, 1940.)

TERRY DONAHUE
(UCLA '67)
Assistant Varsity Coach

Former UCLA football star, Terry Donahue, is now in his fifth year as an assistant coach at his alma mater, three years under Pepper Rodgers and now in his second under Dick Vermeil. He and colleague Jerry Long are in charge of the Bruins' offensive line.

Terry returned to Westwood in 1970 after coaching four years (1967-70) at Kansas under Rodgers. He joined Pepper at KU in his first year (1967) out of UCLA and at 23 was one of the youngest major college assistant coaches in the country.

He starred as an outstanding defensive tackle for the Bruins for two years (1965-66) and was a starter on UCLA's 1966 Rose Bowl team which upset No. 1 ranked Michigan State, 14-12, in the New Year's Day classic.

After starring in football (linebacker) at Notre Dame High in Sherman Oaks, Calif., he played frosh football at San Jose (Calif.) State in 1962. He entered UCLA in 1964 from Valley JC in San Fernando Valley where he hadn't played football. He became a UCLA standout in 1965 and '66 on teams which posted impressive 8-2-1 and 9-1 records.

Terry is married to the former Andrea Sogas and they are the proud parents of two daughters, Nicole Denise 4, and Michele Lynn born May 2, 1975. (Donahue was born June 24, 1944.)

ROD DOWHOWER
(San Diego State '65)
Assistant Varsity Coach

Rod Dowhower is in his second year on Dick Vermeil's UCLA staff. And again he'll serve as the Bruins' offensive coordinator and coach of the quarterbacks and pass receivers, the same duties he performed so well for Don Coryell at first San Diego State for seven years (1966-72) and then, in 1973, with the St. Louis Cardinals of the NFL. Six of their SDS teams were champions, posting an amazing 60-4-1 record.

Among the top quarterbacks he tutored at SDS were Don Horn, Brian Sipe, Dennis Shaw and Jesse Freitas. His star receivers included Tom Reynolds, Isaac Curtis, Haven Moses, Tim Delaney and Ken Burrow.

Rod was an All-Coast quarterback on the San Diego State teams of 1963-64 which posted a two-year 15-4 record. Previously, he won All-America prep and JC honors at QB at Santa Barbara (Calif.) High and Santa Barbara City College. An all-around athlete, he also lettered in basketball and baseball at SBHS.

He and his wife, Nancy, are the parents of two sons, Brian, 4, and Deron, 3. (Dowhower was born April 15, 1943.)

JERRY LONG
(Oregon State '50)
Assistant Varsity Coach

Jerry Long is in his 11th year at UCLA as an assistant coach, six (1965-70) under Tommy Prothro, three under Pepper Rodgers (1971-73) and now in his second under Dick Vermeil. Whereas he coached the Bruins' defensive line for past 10 years, he now has a new assignment this season of tutoring the offensive line with Terry Donahue.

However, the enthusiastic Mr. Long is not new to coaching the offensive forward wall as he performed those duties earlier in his career at Oregon State and Willamette.

Long was an assistant coach under Prothro for four years (1961-64) at Oregon State prior to coming to UCLA with Tommy.

Before returning to Oregon State, his alma mater, in 1961, he served as a top aide at Willamette University in Salem, Ore., for six years (1955-60). Following graduation from OSU in 1950, Jerry began his coaching career with five years in Oregon high schools.

Long entered Oregon State in 1946 and lettered three years in football as a guard. He prepped at Franklin High in Portland, Ore., his birthplace, where he starred in football and baseball, winning All-City grid honors.

He is married to the former Dorothy Jean Larson and they have three children, Karen and twins Randall and Diane. (Long was born July 29, 1929).

BILLIE MATTHEWS
(Southern University '52)
Assistant Varsity Coach

Billie Matthews enters his fifth season on the UCLA football coaching staff this fall, three (1971-72-73) under Pepper Rodgers and now in his second under Dick Vermeil. He handles the running backs again this fall, the same duties he has had the past three years.

He joined Rodgers' Kansas staff in 1970 following an outstanding 12-year (1958-69) coaching career at Kashmere High in Houston, Tex.

A star quarterback at Southern University in Baton Rouge, La., he led his team to an 11-0 record and the National Black championship as a freshman in 1948. During his four years, Southern compiled an amazing 37-4 record.

Billie prepped at Phyllis Wheatley High in Houston where he lettered in football and basketball. He won All-State honors at quarterback.

He and his wife, the former Gene Woods, have four children, Jacqueline, Kenneth, Kennette and Karen. Ken Adams, Billie's stepson, was a split end for three years (1969-70-71) at California. (Matthews was born March 15, 1930.)

BILL McPHERSON
(Santa Clara '54)
Assistant Varsity Coach

After 12 seasons of coaching at University of Santa Clara, his alma mater, Bill McPherson is in his first year at UCLA. Regarded as one of the top defensive coaches in northern California, Bill was assistant head coach and defensive coordinator at SCU prior to accepting his present post as the Bruins' defensive line coach last February.

In addition to his football coaching at Santa Clara, Bill was assistant varsity and head frosh baseball coach there for five years (1963-67). He was line coach for seven years at Bellarmine Prep in San Jose, Calif., before returning to his alma mater in 1963.

Bill was a starting Bronco tackle in 1951-52 and also was a catcher on the baseball teams the same years. He earned his teaching credential at San Jose State.

He is married to the former Elsie Presta and they have five children, sons Michael, 17, and Patrick, 5; and daughters Claire, 14, Joanne, 13, and Maryanne, 12. (Bill was born Oct. 24, 1931.)

CARL PETERSON
(UCLA '66)
Assistant Varsity Coach

Carl Peterson is in his third season on the UCLA staff. After serving as head coach at Cal State College at Sonoma for three years (1969-71), he joined Pepper Rodgers' staff in 1973 and was retained by Dick Vermeil as the Bruins' tight end, split end and flanker coach and also as administrative assistant to coach Vermeil.

He has a fine background for coaching at UCLA where he graduated in 1966 and also got his doctorate in Administration in Higher Education in 1970. Prior to going to Sonoma, he was an assistant coach at Los Angeles' Loyola High for two years (1967-68) and Long Beach's Wilson High for a season (1966).

Among the prep athletes he coached at Wilson High were such top stars as Dennis Dummitt, UCLA quarterback; Sid Smith, USC tackle, and Bob Grich, now starring in pro baseball with the Baltimore Orioles. (Grich graduated from UCLA in 1969.)

Carl played two years (1963-64) at the U.S. Military Academy at West Point before transferring to UCLA where his football career was cut short by knee surgery. He was an offensive split end.

Peterson was a three-sport athlete at Long Beach Wilson High, competing in football, baseball and basketball. (Carl was born May 26, 1943.)

DICK TOMEY
(DePauw '60)
Assistant Varsity Coach

After serving seven years under Pepper Rodgers, four (1967-70) at Kansas and three (1971-73) at UCLA, Dick Tomey accepted Dick Vermeil's offer to stay with the Bruins and is now in his third year as the Bruins' defensive secondary coach. In addition, he's the coordinator of UCLA's football recruiting program.

Prior to joining Rodgers at KU, he was an assistant at Miami of Ohio for two years under two top coaches, John Pont (now at Northwestern) in 1962 and Bo Schembechler (now of Michigan) in 1963; at Northern Illinois in 1964; and at Davidson in 1965 and '66 under Homer Smith, former coaching associate at UCLA and now Army headman.

Five of the outstanding backs he's coached have been Kansas' John Riggins and UCLA's Kermit Johnson, James McAlister, Jimmy Allen and James Bright. He coached Johnson and McAlister in 1971 while serving as offensive backfield coach.

He lettered in football, at guard, for three years (1956-60) at DePauw University in Greencastle, Ind. He starred in baseball, winning all-conference honors as a catcher. He prepped at Elston High in Michigan City, Ind., where he lettered in football, baseball and participated in basketball.

He is wed to the former Mary Lewis and they have a son, Richie, 5½, and a daughter, Angela, 1½. (Tomey was born June 20, 1938.)

MIKE FLORES
(UCLA '74)
Graduate Assistant Coach

Mike Flores, a former UCLA quarterback, is in his second season at his alma mater as a full-time graduate assistant. He has many staff duties, including coordinating the "scout" teams and is in charge of all incoming freshman football players. In 1972 and '73, he served as a top student aide.

Mike was a starting quarterback for the 1971 Bruins but since then has turned to coaching. He came to UCLA from Santa Monica (Calif.) College where he starred for two years (1969-70) at quarterback. He won All-Metropolitan Conference and All-America JC honors in '70.

He prepped at St. Bernard High in Playa del Rey, Calif., where he lettered in football and basketball.

Mike is married to the former Leslie Snyder and they are the parents of a son, Alex, born July 21, 1974. (Flores was born Sept. 4, 1951.)

UCLA VERSUS PAC-8 RIVALS

UCLA holds an all-time won-loss football record over each Pacific-8 Conference rival except USC and Washington.

The Bruins' all-time record against their seven Pac-8 rivals is 140 wins, 107 losses and 15 ties for a .563 winning percentage.

Here are UCLA's won-lost-tied and percentage results in series with each of the Pac-8 members in order they are played this season:

UCLA LEADS STANFORD, 23-19-3 for .544 winning percentage, in this series dating back to 1925. They've met each year since '25 except 1926-27-43-44-45. Note: Stanford and individual game results for each Pac-8 member can be found in "UCLA Game-by-Game Record" section in this press guide.

GAME NO. 1

It's the start of season No. 3 for Earle Bruce at Iowa State and with the Cyclones breaking in a brand new stadium, 1975 should not only be interesting but even historic in nature. Bruce has directed Iowa State to a pair of 4-7 records and the appetite is whetted for a reversal of that mark.

"Replacing our departed stars (21 lettermen in all) will certainly be difficult," coach Bruce admits. "But we have 37 letterman back and some younger men with good ability. We have eight players back on the offensive unit and I'm looking forward to an improved team this fall."

The Cyclone offensive line is big and highly respected, headed by senior center Jeff Jones (6-2, 224). Coach Bruce has several veteran quarterbacks, topped by senior Wayne Stanley (6-0, 175), who has started 16 games in the past two years and is regarded as a strong passer. He has an outstanding split end to throw to in junior Luther Blue (6-0, 187), who not only led the team in receiving last year with 26 catches but ranked second nationally to USC's Anthony Davis in kickoff returns with a 32.8-yd. average on 12 attempts.

The defense was a major concern after graduation losses but it received a hefty boost when linebacker Greg Pittman (6-3, 218) and end Otis Rodgers (6-4, 230) transferred from University of Tampa, which dropped football last February.

Pertinent Note: The Bruins and Cyclones are renewing their intersectional rivalry after an almost half century lapse (49 years, to be exact) — and Iowa State figures to be tough off narrow 1974 losses to top-ranked Oklahoma, Sugar Bowl champion Nebraska, a three-point setback at Missouri and a two-point defeat at Oklahoma State, the Fiesta Bowl champion.

GAME NO. 2

Development of a new quarterback, someone to undertake the thankless task of replacing Condredge Holloway, is Tennessee's top priority entering the 1975 season.

Coach Bill Battle, entering his sixth season as head man after guiding the Vols to a fifteenth place ranking in the UPI poll last year, must make do for the first time since 1971 without the magic touch of Holloway, Tennessee's all-time career offense leader.

With the notable exception of Holloway and a pair of all-star kickers, Tennessee's graduation losses were relatively light. Some brilliant talent returns, headed offensively by all-Southeastern Conference tailback Stanley Morgan, running back Mike Gayles, split end Larry Seivers and tight end Tommy West.

Switched from end to tailback at midseason, the swift Morgan churned out 723 yards in 128 carries for a 5.6 average and was an all-the-way punt return threat. Gayles, improving markedly as the season progressed, averaged 3.9 on 120 attempts. Seivers, nabbing 25 aerials including game-winning circus grabs in the Clemson and Maryland contests and a game-tying one against Vanderbilt, is already gaining repute as Tennessee's most dependable receiver ever.

Tennessee's defense bounced back last year from the debacle of 1973, when it was creamed for 219 points, and once more became a stingy, grudging machine.

Junior Andy Spiva and senior Steve Poole are a pair of sturdy linebackers bent on returning Tennessee's defensive prowess to a high peak of efficiency. Defensive losses were few, but hardest hit was the secondary, stripped of regulars at both corners.

But the Vol outlook continues to hinge on that quarterback opening, with junior Pat Ryan holding the number one spot at the end of spring drills.

GAME NO. 3

Air Force has 38 returning football lettermen this fall, including 16 starters, to face one of the toughest schedules in Academy grid history.

The Falcons were 2-9 last season, losing several of those games in the closing seconds, and hope for better luck this season. However, the schedule is one of the most formidable ever faced by a Falcon team, opening with Arkansas on Sept. 13 and staying tough the rest of the way.

One of the bright spots is on defense where 10 starters return, headed by three-year senior letterman Ray Wild at rover and junior linebacker Mark Kenney. Wild tied for the team lead in tackles last season with 123 while Kenney contributed 103.

Another top returnee on defense is senior middle guard Dave Lawson, a versatile athlete who earned All-America honors as a placekicker last season. He led the team in scoring with 70 points and set a national collegiate record with 19 field goals.

Offensively, the top returnees include junior tailback Ken Wood, who led the team in rushing with 708 yards, and senior co-captain Chris Milodragovich at fullback.

The Falcons should have good strength at running back but must develop depth on the offensive line and consistency at quarterback to have any hopes for a winning season.

Pertinent Note: UCLA has played the Air Force the second most of any intersectional football opponent. The Bruins have met Pittsburgh the most (14 times) and the Falcons the second most (9 times). However, they'll be facing the Falcons for the first time since 1966 come Sept. 27.

Widest Margin of Victory for Ohio State: 10 Points (13-3 in 1961)

GAME NO. 4

Ohio State must replace 13 starters from last year's Big Ten Co-Champions, five from offense and eight on defense.

The strength of the team is in the offensive backfield, where all four regulars are back. This talented backfield of quarterback Cornelius Greene, Heisman Award winner Archie Griffin at tailback, Brian Baschnagel at wingback and fullback Pete Johnson may be Ohio State's best ever.

The areas of concern are in the line, both on offense and on defense. Offensively, only tackle Scott Dannelley (6-3, 240) and guard Ted Smith (6-1, 236) are back. Five starters must be found and depth must be developed from end to end.

On defense, only tackle Nick Buonamici (6-3, 238), linebacker Ken Kuhn (6-2, 230) and safety Tim Fox (6-0, 186) return as a nucleus.

In most instances reserves from last year are being moved up to fill starting positions. There have been several position changes to make better use of available personnel. Examples of this include: Rick Applegate (6-3, 252) from tackle to center, Ron Ayers (6-4, 229) from center to guard, Ray Griffin (5-9, 174) from tailback to safety, Eddie Beamon (6-2, 245) from tackle to middle guard, Bruce Ruhl (6-1, 186) from safety to halfback, and Larry Kain (6-2, 221) from defensive end to tight end.

Buckeye coaches believe that Ohio State will once again have a solid first team both on offense and on defense. The offense should be explosive and has unusual talent. Defensively the team is less experienced, but the coaches are pleased with the talent.

Depth is another matter however. This may be the thinnest Ohio State football team in many years.

GAME NO. 5

With 37 lettermen returning from the ballclub that finished second in the Pacific-8 Conference behind national champion USC last year, Stanford figures to field another strong football team this fall.

The Cards should be stronger offensively in '75, with virtually all of their key personnel returning. "Overall, we feel we'll have a good, solid offense this year," Christiansen says. "Most of our starters will be a year older and hopefully a year better. Our quarterbacks will have a year's more experience, and that will be a real plus."

Junior quarterbacks Mike Cordova, Guy Benjamin and Jerry Waldvogel will have excellent receivers to throw to in flanker Tony Hill, the team's leading receiver last year with 34 catches, 1973 All Pac-8 split end Bill Singler and tight end Ted Pappas.

Explosive junior running back Ron Inge will be the key man in the Cards' ground attack. Inge gained 355 yards rushing and another 181 on pass receptions last fall.

The most significant loss offensively was fullback Scott Laidlaw, the team's leading rusher in '73 and '74. Lettermen Dave Tenn and Don Stevenson, along with soph John Finley, are the top candidates to replace Laidlaw.

Christiansen will have a number of holes to fill on defense. Eight starters were lost, including consensus All-America end Pat Donovan and three All-Coast performers in linebacker Gordy Riegel, nose guard Drew Palin and safety Doc Blanchard.

"We won't have many starters back defensively," Christiansen says, "but we'll have a lot of people with size and ability who gained experience as reserves and alternates last year. Hopefully, we can make up in enthusiasm what we do lack in experience. Sometimes you play better that way. You hustle all over the field instead of waiting for someone else to make the play."

GAME NO. 6

Washington State goes into the 1975 season without the number of returning "stars" it has had in past years, but with a nucleus of returning young veterans.

Injuries cut into the Cougars' fortunes last year, but it did allow them to play a number of freshmen and sophomores that come back with a year's experience. At the end of spring practice senior Wally Bennett, a 6-5½, 211-pound senior had established himself as the No. 1 quarterback.

Joining him in the backfield were sophomore Dan Doornink at tailback and senior Vern Chamberlain at fullback. Doornink started one game last year, and Chamberlain became the No. 1 fullback in mid-season.

The offensive line returns a starter at every position except center where All-American Geoff Reece has graduated.

The receiving positions are deep with lettermen Ray Kimble, Dennis Pearson and Mark Maenhout back and new face Brian Kelly. Also back is tight end Carl Barschig, the 5th leading pass catcher in the Pacific-8 last year.

On defense the Cougars are going to the 5-2 look with three down linemen and four linebackers. Down linemen back include Tim Ochs, Mark Husfloen and Dennis Dobberpuhl; linebackers are Don Hover, Scott Mullinnex, Jerry Payne, Bill Patterson and Dean Pedigo. All started at least part of 1974 except Payne, who has played behind all-conference Gary Larsen for two years.

The secondary returns a mixture of vets and sophomores. Tony Heath, Robert Crow, and Andre Stuckey all started some of 1974 and Sweeney expects great things from sophomores Mark Patterson, Don Schwartz and Ken Greene.

GAME NO. 7

Replacing the 1974 consensus All-America quarterback and No. 1 pick in the NFL Draft is a mighty tall order to ask any coach to fill . . . perhaps it's even absurd to think about?

But California coach Mike White believes the Bears have some excellent prospects to chose from in the search for a successor to Steve Bartowski. At the conclusion of Spring Practice, the 1-2 QB standouts were senior Fred Besana (6-4, 190), who was injured last year and was forced to redshirt; and JC All-American Joe Roth (6-4, 205). Besana has a slight edge due to familiarity with the Cal system.

Other QB candidates include Bartowski's back-up, senior Mark Cahill (6-1, 185) and sophomore Mike Williams (6-0, 185).

Whoever the QB turns out to be, he will have an excellent core of experienced pass receivers, headed by senior flanker Steve Rivera (6-0, 180), a unanimous All-Pac-8 choice last year. He caught 52 passes, a new Cal record, last year and also led the nation in total yardage (938 yards) for a receiver. Another top receiver is sprinter Wesley Walker (6-0, 180), who gained more than 27 yards each time he caught the ball.

Veteran running back Chuck Muncie (6-3, 220) is only 421 yards away from shattering the Cal career all-purpose running record held by Johnny Olszewski (1950-52). Redshirt John Dixon (5-10, 200) and All-America JC back Tom Newton (6-2, 210) will vie for the other running slot left vacant by graduate Howard Strickland and dropout Mark Bailey.

But the Bears' chief problem is to improve their defensive play where they ranked only seventh in Pac-8 total defense last year. Says coach White, "We think we are going to be much improved throughout the defensive positions."

GAME NO. 8

Washington will be operating out of the "I" formation, a tailback oriented offense installed by new head coach Don James, who used it with great success at Kent State.

Senior quarterback Chris Rowland (6-3, 220), who broke his foot in the Oregon game last year and missed the final four games, is expected to lead the Huskies into action this fall, but he'll have to earn the No. 1 spot from challenger Cliff McBride, a junior. Harold Moon, a JC transfer from West Los Angeles College, is also in the QB race.

Robust Robin Earl (6-5, 251), the Huskies' bruising junior fullback, will be the man to stop. The "Earl of Kent" (he's from Kent, Wash.) was moved to FB from tight end after four games last year, and in the ensuing seven games Earl romped for a 5.6 yard average per game and finished the year as the Huskies' second leading rusher (behind QB Dennis Fitzpatrick).

Junior Scott Phillips, the Huskies' leading receiver last year (34 catches for a 21.0-yd. average) and second ranked in the Pac-8, returns to lead the split ends into action.

Senior center Ray Pinney returns to anchor down the forward wall. The tackle corps welcomes back John Whitacre (6-5, 245), a two-year letterman who redshirted last year due to a foot injury.

The Huskies will be using a "Fifty-Defense" which is primarily a seven-man front and a four-deep secondary.

The Huskies appear strong at all four secondary spots with Pedro Hawkins and Roberto Jourdan manning the left corner, Frank Reed handling the right corner, Steve Lipe and Ron Olson working at strong safety and Al Burleson expected to nail down the weak safety berth.

GAME NO. 9

"Better!" That, in a word, sums up coach Don Read's impressions of the 1975 Oregon football team. And this second-year coach, who hopes to lead the Ducks out of the depths of the Pac-8, knows the challenge best.

"We have a year under our belts — the staff and the players — and we all know what still needs to be done," Read surveys. "We'll have a lot more leadership even though we'll still be a junior-dominated team."

He cites greater depth in many positions, expecially at running back and in the offensive line, as one of the pluses.

Getting down to specifics, Oregon should again be strong defensively. Sometimes our regular starters will be available at all 11 positions, including several stellar performers: tackle Greg Gibson (6-3, 234), strong-side linebacker Darrell Mehl (6-0, 224), middle linebacker Tom Yaru (6-2, 235) and cornerback Mario Clark (6-2, 184), a senior who is a bonafide All-America candidate.

Offensively, the line should be stronger, thanks to some incoming JC talent plus another year of experience for those returning.

The wide receiver corps counts Wayne Johnson (5-11, 173) and Greg Bauer (5-9, 168) while there figures to be a concerted, eight-man scramble for the two running back slots.

At quarterback, it'll be more of the same. Phil Brus, a junior who sat out last season after transferring from California, brings a solid set of frosh credentials. He had 64 completions for 739 yards and six TD's while completing 68.1% of his frosh tosses at Cal — and later threw for 290 yards and two scores in the Bears' 1973 spring game.

But he'll have plenty of competition from redshirt Jerry Jurich (6-3, 198), who ran the 1974 scout team; and Jack Henderson (6-1, 185), who paced the 1974 Frosh team.

GAME NO. 10

There are many reasons why Oregon State hopes to have a much stronger team this fall than the Beavers fielded in 1974 when they won three and lost eight.

First of all, the schedule isn't as back-breaking as it was last year when OSU had four games on the road before ever playing one at home. And their opponents were Ohio State, SMU, Georgia and Syracuse!

Coach Dee Andros, probably the most popular coach in OSU history, starts his 11th season as Beaver headman. He has 37 returning lettermen, including a three-year letterman at quarterback, Steve Gervais. The latter played behind Alvin White the past two seasons and looked terrific in spring drills.

The Beavers again will use the pro-type I formation, but probably will not pass as much as they did the last two years. OSU has better running backs, and more depth, than in recent years.

Coach Andros brought in 13 JC transfers, and that will help. Most of them are running backs and defensive backs. There also are 21 incoming freshmen from one of the best crops at OSU in a long time. Some may help immediately.

Ron Cuie is a fine transfer running back — originally from Arizona State — who played behind All-America Woodrow Green at ASU. Johnny Taylor from Moorpark (Calif.) College is another JC running back with a reputation.

Remember, coach Andros, "The Great Pumpkin" of college football, isn't accustomed to losing. After three losing seasons in a row, he wants a winner — but badly!

GAME NO. 11

USC's John McKay has won two national championships in three years and gone to three straight Rose Bowls, but he faces a tremendous challenge in 1975.

He'll enter the season with only eight returning starters — lowest number in the Pacific-8. "But don't worry about the Trojans," says coach McKay. "We'll survive in Seventy-Five."

McKay is always optimistic — and with his record he should be.

"We'll be a solid team in 1975 with a chance to develop into a very good one," says coach McKay. "We will be young and inexperienced, but we'll have good ability and very good speed both offensively and defensively. We should mature tremendously as the season goes along.

"But we must have a lot of help from young players on last year's team, from our junior college transfers and from our incoming freshmen. We have to develop players almost everywhere — at quarterback, tailback, split end, tight end, in the offensive and defensive lines and in the secondary."

Of the eight starters returning, as the Trojans shoot for their fourth straight Rose Bowl, four are on offense and four on defense. The offense returns all three fullbacks, including Dave Farmer, who started most of the time; strong side tackle Marving Powell, an All-America candidate; strong side guard Joe Davis and flanker Shelton Diggs. (The other two talented fullbacks are Ricky Bell and Mosi Tatupu.)

The defensive returnees are All-America tackle candidate Gary Jeter (6-3, 237), inside linebacker Kevin Bruce and both cornerbacks, Danny Reece and Ron Bush.

UCLA IN ROSE BOWL

UCLA has played in six Rose Bowl games — but has won only one. That victory — and it was a big one — came in the Bruins' most recent appearance in the New Year's Day post-season classic in Pasadena, Calif., in 1966. They scored a stunning 14-12 upset over Michigan State, the country's No. 1 ranked team.

The 62nd renewal of this granddaddy of all bowl games will be held Thursday, Jan. 1, 1976, at 2:00 p.m. It'll pit the Big Ten champion vs. the Pac-8 titlist in this RB pact which started back in 1947. The Big Tenners hold an 18-11 series lead since the pact began but the Pac-8 teams have been coming strong in recent years, winning 7 of the last 10 games, 5 of the last 6.

UCLA WINS 3 NCAA TEAM TITLES, PLACES HIGH IN 4 OTHER SPORTS

A winning year, perhaps the overall winningest in UCLA annals.

That describes the Bruins' record for the past 1974-75 athletic year in NCAA team competition, to wit: three championships in basketball, tennis and volleyball; runner-up in track; two third-place finishes in swimming and water polo; and a fourth-place finish in soccer.

In other words, the Bruins were involved nationally in the title rounds of 1-2-3-4-5-6-7 sports.

Plus, the Bruins went undefeated in dual track meets to retain their National Collegiate crown in head-on spike competition, as picked by "Track & Field News," and also the Bruin Rugby team was ranked No. 1 nationally in collegiate and amateur play.

In the past six years, UCLA has won an amazing 19 NCAA team titles, to wit: water polo, basketball, volleyball and tennis in 1969-70; basketball, volleyball, tennis and track in 1970-71; water polo, basketball, volleyball and track in 1971-72; water polo, basketball and track in 1972-73; volleyball in 1973-74; and now three this past year.

No other university has ever had such back-to-back success in NCAA title competition; in fact, only one other school has ever won four team tiaras in a single year. (That was USC in 1962-63, winning in baseball, swimming, tennis and track.)

In all, the Bruins have now captured 34 coveted NCAA team championships down through the years, 11 in tennis (1950-52-53-54-56-60-61-65-70-71-75), 10 in basketball (1964-65-67-68-69-70-71-72-73-75), five each in track (1956-66-71-72-73) and volleyball (1970-71-72-74-75) and three in water polo (1969-71-72).

And, of course, this past 1974-75 year got under with a solid winning season in football, with coach Dick Vermeil's first UCLA team posting a 6-3-2 record in which the Bruins were in Rose Bowl contention until the final game.

They don't have NCAA championship playoffs in football but UCLA was named National Football Champion in 1954. Vermeil & Co. are aiming for more of the same — but soon.

HISTORY OF UCLA

In 1919, when UCLA became part of the University of California, it was a two-year college whose enrollment of 1,338 consisted mostly of students in teacher-training courses. This fall, the estimated enrollment of more than 32,000, largest of the nine campuses of the University, will be spread over 70 departments providing the broadest-based instruction of any of the nine.

And, in the 56 intervening years, UCLA has grown remarkably in other ways as well. In 1929 it moved from a small mid-town campus to its present 411-acre site near Westwood Village. Today's handsome campus at the foot of the Santa Monica mountains includes 74 permanent buildings with 28 major additions.

Academically, UCLA has climbed into the upper reaches of U.S. universities. As the 1970 survey of graduate faculties by the American Council on Education showed, UCLA has 12 departments in the top ten in the nation and 17 more in the top 20. Together, these rankings gave UCLA a place in the leading dozen American universities.

UCLA's quality instruction is matched by its eminence in research. Some gauge of its research accomplishments is the federal support it attracts in grants, fellowships, and other funding. In fiscal 1973, the last year for which figures are available, UCLA was fifth in the nation, with a total of $60,884,000. In the number of federal agency advisory committee memberships of faculty members, UCLA was third in the nation in 1972, with a total of 112.

Underlying UCLA's academic and research leadership are facilities which serve the scholar and researcher well. One of the features of the $380,000,000 campus is a teaching hospital (operated in conjunction with the UCLA School of Medicine) which was ranked 7th in the nation in a national survey of physicians conducted by the AMA's Today's Health.

Another key facility is the university's library, with the largest collection in the southwest, some 3,400,000 volumes. The 1970 A.C.E. report rated it fourth in the nation in overall strength and quality. Still another important adjunct to a major university is its computing capacity, and UCLA's Campus Computing Network is one of the major computer centers in the country. It is used both in research and instruction, with one engineering course training 2,000 students per year in computer use.

In science, the university has such special facilities as a 100 kw. nuclear reactor, a linear accelerator, and laboratories for the study of plasma physics and dating of ancient objects by means of isotopes.

No less impressive are the facilities in the arts, which include the remarkable ethnic art collection of the Museum of Cultural History and the collection of 400 exotic musical instruments by the Institute of Ethnomusicology.

A strong faculty, working in this unusual setting, helps to produce graduates who represent the sophisticated manpower needed by California. UCLA students, admitted under high entrance requirements, have demonstrated unusual accomplishment in the classroom as well as on the athletic field.

DR. CHARLES E. YOUNG
UCLA Chancellor

When Dr. Charles E. Young became chancellor of UCLA in 1968, he was the youngest chief executive of any of the nine campuses of the University of California. Today, at the age of 43, he still is, and his vigorous leadership has enabled UCLA to continue to build its reputation of academic distinction during a difficult period which began with student disruptions and has continued with stringent "steady-state" budgets.

A native of San Bernardino, Calif., he attended high school and junior college there before enlisting in the U.S. Air Force during the Korean War. He served in California and Japan, attaining the rank of sergeant as a personnel services supervisor.

After the war he returned to civilian life, enrolling in the newly-established University of California, Riverside. During his senior year in 1955, he demonstrated his "take charge" qualities by becoming UC Riverside's first student body president.

Armed with his bachelor's degree, he enrolled at UCLA and earned an M.A. (1957) and a Ph.D. (1960), both in political science. His doctoral dissertation was on the subject of "Politics of Political Boundary Making." He spent the year of 1958 in Washington, D.C., on a Congressional Fellowship.

In 1959, UC President Clark Kerr lured him back to California to join his staff. For about a year he served as staff assistant to the academic team drawing up the Master Plan for Higher Education in California, worked on the University Growth Plan, and studied decentralization of the University. He also taught political science on the Davis campus of the University in the spring of 1960.

In the fall of 1960, after Dr. Franklin Murphy had become UCLA chancellor, he chose as his assistant the young man-on-the-go. In 1962 Dr. Young took another step up the administrative ladder to become assistant chancellor, and in 1963 he became a vice chancellor, with responsibilities for administrative, budgetary and student problems.

In 1968, when Dr. Murphy resigned to become the chief executive officer of the Times Mirror Company, the Regents turned to Dr. Young to lead the campus which he had served with energy and perception.

Chancellor Young holds an academic appointment as professor of political science, and his writing and teaching have been in the area of American political theory and politics.

His interest in top performance extends beyond purely academic concerns to other fields, including athletics, and he has been quoted as saying, "excellence in the classroom and in the laboratory are compatible with excellence on the playing field and in the gymnasium."

Part of his interest in athletics arises from his own background as a high school football player. He still attends most UCLA football and basketball games and those track meets held in Drake stadium on the UCLA campus, and he can often be seen roaming the sidelines of the field, an enthusiast deeply involved in the fortunes of the team.

ANOTHER BIG 'FIRST' FOR UCLA

As we went to press in July, former Bruins Arthur Ashe and Jimmy Connors were finalists at Wimbledon, the first time two players from the same university ever reached the men's singles finals in the world's premier tennis tournament. Ashe, 1965 NCAA champion, scored a stunning 6-1, 6-1, 5-7, 6-4 upset victory over Connors, 1971 NCAA titlist.

J. D. MORGAN

Director of Athletics

J. D. Morgan has now completed his first 12 years — July 1, 1963 through July 1, 1975 — as UCLA's director of athletics. It has been a remarkable dozen years of achievement and growth for the Bruins, a period during which they won an unprecedented 26 NCAA team championships.

This is the most NCAA titles ever won by a university and an athletic director over such a span: 10 in basketball (1964-65-67-68-69-70-71-72-73-75); five in volleyball (1970-71-72-74-75), four each in tennis (1965-70-71-75) and track (1966-71-72-73) and three in water polo (1969-71-72).

But UCLA's entire 18-sport program has been most successful under his astute guidance and leadership since he succeeded the late Wilbur Johns in 1963. And this past 1974-75 athletic year has been one of UCLA's finest in history, including three championships (basketball, tennis and volleyball), one runner-up (track), two third place finishes (swimming and water polo), and one fourth place finish (soccer) in NCAA team competition. Plus, the Bruins won the National Collegiate dual meet title, as picked by "Track & Field News," for the fourth straight year. And the Bruin Rugby team was ranked No. 1 in the country.

J. D., of course, is most proud of UCLA's amazing success in NCAA basketball, in which the Bruins have won 10 titles in the past 12 years, and also the Bruins' first Rose Bowl victory in 1966 game with a stunning 14-12 victory over top-ranked Michigan State.

In addition, his tenure has been highlighted by the move of the Athletic Department into new and permanent quarters, the return of Bruin basketball to the campus in Pauley Pavilion, opening of a new boathouse for crew at Marina del Rey and the opening in 1969 of Drake Stadium, a beautiful track and field facility.

He has been at UCLA since 1946 employed in the positions of accountant, associate business manager, tennis coach and now athletic director.

Morgan's tennis coaching career, in which he turned out 16 straight winning seasons, was featured by no less than seven NCAA team championships (1952-53-54-56-61-65) and four national runner-up teams (1962-63-64-66). He coached eight NCAA singles or doubles champions, including Arthur Ashe, Ian Crookenden, Allen Fox, Larry Huebner, Ron Livingston, Larry Nagler, Charles Pasarell and Bob Perry. He retired from coaching following the 1966 season.

In 1966, J. D. was cited for "outstanding professional achievement in the field of athletics" at UCLA's Anniversary Day ceremonies. In 1973, he was honored by the Columbus (Ohio) Touchdown Club as "Athletic Director of Distinction." He completed a six-year term on the NCAA Basketball Tournament Committee last fall. He is currently Secretary of the Pacific-8 Conference and chairman of its Administration Committee.

He was born in Newcastle, Okla., on March 3, 1919. He attended Cordell, Okla., High School where he was an outstanding four-sport athlete in football, basketball, baseball and tennis. Then, at UCLA, he was a four-year letterman in tennis, serving as 1941 team captain and No. 1 player. A back injury kept him from playing football for the Bruins.

Morgan graduated from UCLA's School of Business Administration in 1941. During World War II he commanded a Navy torpedo boat.

He is married to the former Cynthia Gray Crane, who is very active in University women's affairs. They have a son, Kevin, 21, and a daughter, Pamela, 14.

DR. THOMAS L. JACOBS

Faculty Athletic Representative

Dr. Thomas L. Jacobs, a research chemist and avid sports fan, is in his seventh year as UCLA's Faculty Athletic Representative. He began his present term in 1969 after an earlier period of service in 1961.

As the Chancellor's representative to the Pacific-8 and NCAA, Dr. Jacobs works with faculty representatives from the other member schools in determining all policy matters and approving all governing legislation at the conference and national levels, including eligibility of student athletes. In 1972, he served as president of the Council of the Pacific-8 Athletic Conference.

Dr. Jacobs is a long-time spectator at UCLA athletic events.

As a teacher and scholar, Dr. Jacobs is an organic chemist who has done notable fundamental research on the mechanisms of organic reaction, particularly of acetylenic and allenic compounds. He has studied the polymerization of these compounds as well. He is interested in industrial organic chemistry and has been for a long time consultant to the 3-M Company.

During World War II, Dr. Jacobs was director of an anti-malaria program for the Office of Scientific Research and Development. He also has served for many years on UCLA Academic Senate committees and during 1967-68 was the chairman of the Senate. In addition, he has served as chairman of the UCLA and University Budget Committees and in 1965-66-67 was on the Budget Review Board of the University.

He took his Bachelor's degree at Cornell College in Iowa in 1930, and his Ph.D in chemistry at Cornell University in N.Y. in 1935. After teaching four years at Harvard, he joined the UCLA faculty in 1939. In 1947-48, he was a Guggenheim Fellow at Imperial College, University of London.

When his teaching and research permit, Dr. Jacobs is an active golfer and enjoys camping, hiking, and angling. He is a member of the Sierra Club.

His own athletic career includes three years of football and two years of basketball at Forest City High School in Iowa and one year of football at Waldorf Junior College, also in Forest City.

Dr. Jacobs lives with his wife Ruth in West Los Angeles. They have a married daughter, Antoinette Kayser, herself a mother of three boys, who lives in Santa Barbara, and two married sons, Richard, who graduated from UCLA, and William, a graduate of UC Davis and recipient of a UCLA Master's degree.
